STAT

Since General Walters wrote to you on 6 October, we have been reviewing your excellent qualifications in light of an appropriate opportunity to make use of your kind offer to be of service to us.

Unfortunately, we have not been able to identify a suitable opening commensurate with your background and experience. This is no reflection on your abilities, but is due to the fact that our needs are generally limited to entrance-level career trainees at this time.

Your interest in being of service to this Agency is appreciated and I am sorry the outcome of our review was not favorable. It is our sincere hope that you will find a field of endeavor that will be both challenging and interesting.

Sincerely,

/s/ H. B. Fisher

It was good to hear from you again and to receive your resume. I enjoyed your visit and regret that it had to be so short. I look forward to getting together with you and  again for a longer visit.

I have read your resume and forwarded it to our Director of Personnel who will have your excellent qualifications reviewed by appropriate Agency officials in order to determine if there is any opportunity to utilize your services. While I doubt if there will be any regular staff positions available, we will consider you for any opportunity that will capitalize on your many talents. You may be sure your credentials will be given every consideration.

Again, it was good to hear from you, and my best to you and

Faithfully,

/s/ Vernon A. Walters

Dear Dick:

STAT

We returned home early last week, stopping off en-route for a couple of short visits with friends in Virginia and with [ ] in South Carolina - and back now in Central Florida's almost insupportable heat (mid and high 90's, continuously).

It was wonderful seeing you and we greatly appreciate your having made even a short visit possible in the midst of your understandably tight schedule - especially on the "dia do soldado":

STAT

With regard to the interest I mentioned to you, of placing my [ ] experience and contacts at the service of the Agency, attached is my resume, as you suggested.

I am truly stagnating in retirement inactivity, Dick, especially so because I know I have still a lot of good mileage to deliver. If my age should raise a question, remember Bernard Baruch!

STAT

We look forward to a visit from you when next you come to Florida - make it soon. [ ] joins me in fondest regards.
